		>20 MT	214.16 (191.16+23)	253.17 (224.85+28.32)	Per Container
III	"For NHS 300 E; NHS 300 and NLS 221 products only Ground rent USD 5 per day per container"				
Specific Notes :					
1	As mutually agreed, we hereby extend the duration of the aforesaid agreement from 1st July 2023 to 30th September 2024.				
2	This commercials will be valid from 1st October 2022 till 30th September 2024.				
3	In case Custom selects a particular FCL Container for Scanning, then Scanning charges of USD 41.30 per TEU or USD 59 per FEU will be applicable.				
4	In case of LCL cargo/Air-shipment, USD 28.32 per Inbound Transaction will be applicable which will cover Gate-In & Survey charges & Gate-Out and Survey charges.				
5	In case of Reefer Containers the Tariff Rates will be increased by 50% over and above the normal Tariff Rates for all Non-Storage heads & Container ground rent. Further, container Plug-In & Monitoring charges of USD 75 per TEU (20') and USD 120 per FEU (40') will also be applicable.				
6	Customer may use their existing CHA for Clearance of Cargo.				
7	Above rates are in USD and can be converted into any freely convertible currency as desired by Customer.				
8	Any Value Optimisation Services that may be rendered to the Customer would be charged additionally as per the scope of work. For use of special equipments / vehicles required to handle cargo, extra charges would be applied on case to case basis (eg. Low bed trailers, hydraulic trailers, cranes, heavy forklift, hydra, etc.).				
'ALSL/FTWZ/69/2022-23					

Specific Notes :	
9	The Customer shall insure the Cargo & Container against all risks appropriately.
10	Payment for FTWZ services availed by the Customer shall be settled within 60 days from date of Invoice.
11	The Customer / End Customer will be responsible to obtain any / all statutory Approvals or Permissions that may be required to import / export / handle the cargo in FTWZ or DTA.
12	The Tariff Rates quoted are for Normal Cargo. For HAZ cargo, the Tariff Rates for Storage as well as Non-Storage will be increased by 50% over and above the normal rates.
13	All Shipping Line charges (Like Delivery Order, THC, Documentation, Detention, Empty Yard LOLO, etc) shall be settled directly by Customer.
14	Escalation would be applicable for all rates mentioned in Annexure as follows:- a) Storage & Handling - subject to annual escalation over the rates mentioned above (to be decided mutually between Arshiya and Ashland Singapore PTE Ltd in writing through mails or letters). b) All other Tariff Rates are subject to annual revision (to be decided mutually between Arshiya and Ashland Singapore PTE Ltd in writing through mails or letters).
15	The Customer shall intimate any discrepancy in the invoice to Arshiya within a period of 7 days from the receipt of the Invoice. The Invoice will be considered to be correct and clear of any dispute if no such intimation is received within this period.
16	In case of transportation to DTA in non-containerized vehicles, Gate / Survey / fuel & energy charges (wherever applicable) would be charged at rates applicable to TEU (20' ft).
17	The above Tariff Rates are applicable only for Containerized cargo brought into the FTWZ. The Tariff Rates applicable for any other cargo brought in the FTWZ are likely to vary depending on the nature and volume of the cargo.
18	Storage charges will commence from the date of Arshiya Gate in.
19	If the size of the cargo exceeds the standard dimensions of the Pallet mentioned above, the applicable Tariff Rate will be for two Pallets or more depending on the size of the cargo.
20	The credit period will not be applicable in respect of last out-bound of the cargo from the FTWZ. Therefore, all outstanding payments should be paid by the Customer before the last out-bound movement of the cargo from the FTWZ.
Notes:- DTA - Domestic Tariff Area MTS - Metric Tonnes ODC - Over Dimensional Cargo CBM - Cubic Meter HAZ - Hazardous FCL - Full Container Load TEU - Twenty Feet Equivalent Unit FEU - Forty Feet Equivalent Unit LCL - Less than Container Load
